THE FORMTEK GROUP

373 RANDY ROAD, CAROL STREAM, IL 60188 PHONE 630-834-4430 FAX 630-834-4755

FOR IMMEDIATE RELEASE

Hill Engineering (a Member of the Formtek Group) announces the promotion of **Paul Williams** to the position of Sales and Marketing Manager. Paul has over 26 years experience in the tool and die and roll forming industries as a toolmaker, field service technician, die design engineer and sales application engineer and has been with Hill Engineering since 1988. Paul has been a speaker and conference chairman for PMA, FMA and SME conferences, and has authored technical articles in leading industry publications. He is currently Chairman of FMA's Roll forming and Technology Council.

Paul is responsible for establishing selling strategies for the Hill Engineering product lines of rotary punching units, HHP and HX series Hydraulic Presses, HAP series air presses and stationary and flying punching and cutoff dies for the roll forming and stamping industries along with interfacing Hill Engineering's marketing and application engineering efforts with the Formtek Group's network of Regional Sales Managers and independent representatives..

Visit the **Hill Engineering** website (www.hillengr.com) for additional information on products, services and employment opportunities available.

Specialists in punching, cutoff and measuring technologies for the Roll Form & Tubing Industries
